3. OPEN ENDED QUESTIONS  
(INSTRUCTOR)

3.1) Please comment on specific characteristics of the course that were most beneficial to you:

- Actually attending the class made the course a lot easier.
- I think the lecture slide is very useful
- Learning R studio and learning to read and analyze data were beneficial as this can be something used in the real world.
- Lots of examples!
- N/A
- Professor really seemed interested in students and their success. It helped keep us motivated.
- Professor took interest in students and it felt very inviting
- Professor went out of her here
- Strongly encouraging students to come in person to lectures greatly helped me understand and remember course material
- The Professor makes herself available during and outside office hours. She is dedicated to her students and wants them to excel.
- The accessibility of the prof was most beneficial. She was very accommodating and responded very quickly, which helped a lot
- The instructor gave us several examples in each covered topic, in order to test our knowledge.
- Through this class, I have mastered more knowledge about economics, which is closely related to our daily economic life.
- learn how to using R
- na

3.2) Please comment on specific aspects of the course that need improvement:

- Better time. Not 4:30pm on Monday/Wednesday.
- Having more opportunities to use R or Stata would be beneficial to my understanding of course material.
- I think that having homework/quizzes on top of the assignments would help retain the class material a bit more. I struggled with the exams because it felt as if I had seen some of the material for the first time which may be partly my own fault but at the same time I think having more work similar to the examples showed on the slides might be more helpful.
- I think the pacing needs to be improved. I struggled to follow along
- In my opinion, this course is great so far.
- Its just pretty heavy material but professor did best she could
- N/a
- The material could be broken down from the beginning to ensure total understanding from the students
- its very easy to get lost in this course while I dont have a solution to it that is a bit of a problem
- make it esaier thats too hard :)

- na
  - writing on slides could be neater, ipad is a useful tool but there is a lot of moving back and forth and this isn't always best for understanding the material the day of the lecture
- 

3.3) If necessary, clarify any of your previous responses or make additional comments:

- I got lost a bit cause im a dummy
- I'd like to thank the prof she was great but this course was hard for me
- N/a
